HRSMC Class of Excellence

Enrich your UvA/VU or UL Chemistry master with this challenging programme

Are you a motivated student who is eager for an additional challenge?

Are you able to acquire the multidisciplinary skills needed to become an expert in synthesis, spectroscopy and theory?

Are you ready to make contact with different, excellent research groups from three universities (UvA, VU and UL) and for the unique opportunity to write a PhD research proposal??

UvA-VU / UL Chemistry Master (120EC)

- Major research project (nr 1)
- Research project (nr 2) (≥ 6 EC)

MSc diploma

- Take one course in each research theme of the HRSMC
- The three research projects cover at least two of the three research themes of the HRSMC

HRSMC Class of Excellence

- Research project (nr 3) in a different city (≥ 6 EC)
- Course in a different city (6EC)
- Writing a research proposal (3EC)

AND

- Take HRSMC courses
- Attend a HRSMC school
- Join the annual symposium

Extracurricular part MSc diploma (15 EC)

HRSMC Certificate

**Your Choice
Your Research
Your Future**

Information meetings: UvA: March 5, 2024: 14:00-14:30 (Science Park, A1.24)

UL: March 14, 2024: 12:00-12:30 (Huygens 211-214)
